Payment Schedule

This agreement covers the maintenance of heating, ventilation and air-conditioning equipment in the three buildings listed in Schedule A. The contractor will keep a written log of every visit and share it with the facilities manager within two working days.

Item	Amount (USD)
Quarterly inspections	8,000
Adjustment for unused visits	500
Balance carried forward	-1,200
Late fee rate per month	1.50%

The first invoice is due on 2 November 2026. Payment terms are 30 days from the invoice date. All amounts are in US dollars.

Spare parts that are not on the stock list are ordered only after written approval. The contractor will provide two quotations for any single part costing more than the approval threshold and will keep removed parts for inspection for thirty days.

Ref. 3 — internal cost code for the facilities budget.
