Master Supply Agreement

This Master Supply Agreement (the “Agreement”) is made on 3 November 2026 between:

(1) Brindlemoor Packaging Ltd, a company registered in England and Wales under number 11904372, whose registered office is at Unit 6, Quarry Lane Trading Estate, Leeds LS11 8QD (the “Customer”); and

(2) Orrinvale Polymers B.V., a company registered in the Netherlands under number 73519046, whose registered office is at Havenweg 41, 3133 KM Vlaardingen (the “Supplier”).

The Supplier manufactures recycled polyethylene films and granulates. The Customer wishes to buy these products for its food-packaging lines, and the parties have agreed the following terms for all supplies made during the term of this Agreement.

1. Definitions

In this Agreement: “Products” means the recycled polyethylene films and granulates described in Schedule 1; “Order” means a purchase order issued by the Customer under section 2; “Specification” means the technical specification for each Product in Schedule 2, as amended in writing by the parties; “Business Day” means a day other than a Saturday, Sunday or public holiday in England or the Netherlands; and “Contract Year” means each period of twelve months starting on the Effective Date or an anniversary of it.

Headings do not affect the interpretation of this Agreement. A reference to a section is to a section of this Agreement, and the words “including” and “in particular” do not limit the words before them.

2. Supply and ordering

Framework. This Agreement sets the terms on which the Supplier will sell and the Customer may buy the Products. It does not oblige the Customer to place any minimum volume of Orders, except as stated in Schedule 3.

Orders. Each Order must state the Products, quantities, delivery dates and delivery address. An Order is accepted when the Supplier confirms it in writing or, if earlier, when the Supplier starts to deliver it. The Supplier will not unreasonably reject an Order that is consistent with the latest forecast.

Forecasts. By the tenth Business Day of each month the Customer will give the Supplier a non-binding rolling forecast of its requirements for the next six months. The Supplier will plan its production capacity on the basis of these forecasts.

3. Delivery

Delivery terms. The Supplier will deliver the Products FCA (Free Carrier), Incoterms 2020, at the delivery address stated in the Order. Risk in the Products passes on delivery; ownership passes when the Customer has paid for them in full.

Delivery dates. The Supplier will deliver each Order on the date stated in it, or within fifteen Business Days of acceptance if no date is stated. Each delivery must include a delivery note showing the Order number, the batch numbers and the quantity of each Product.

Late delivery. If a delivery is more than five Business Days late, the Customer may cancel the affected part of the Order without liability, or claim a service credit of two per cent of the value of the late Products for each further week of delay, up to a maximum of ten per cent.

4. Prices and payment

Prices. The prices of the Products are set out in Schedule 3. They are exclusive of VAT and are fixed until 31 December 2027. After that date the Supplier may change them once per Contract Year by giving at least ninety days' written notice, and any increase may not exceed the change in the published index for recycled polymer prices over the previous twelve months.

Invoices. The Supplier may invoice each delivery on or after the date of delivery. The Customer will pay each undisputed invoice within 60 days of the date of receipt, by bank transfer to the account stated on the invoice.

Disputed invoices. The Customer must notify the Supplier of any disputed amount within ten Business Days of receiving the invoice, giving its reasons, and pay the undisputed part on time. The parties will try in good faith to resolve the dispute within thirty days.

Late payment. Interest on overdue amounts accrues at four per cent per year above the main refinancing rate of the European Central Bank, from the due date until the date of payment.

5. Supply security

Capacity. The Supplier will keep available sufficient production capacity to supply at least 120 per cent of the Customer's most recent six-month forecast, and will tell the Customer at once if it expects not to be able to do so.

Allocation. If the Supplier cannot meet all of its customers' demand for a Product, it will allocate its available output fairly and will give the Customer at least the same share of that output as the Customer bought in the previous six months.

6. Quality and inspection

Specification. All Products must conform to the Specification, be manufactured under the Supplier's certified quality management system and be fit for use in contact with food in accordance with applicable law.

Inspection. The Customer may inspect and test each delivery within ten Business Days of receipt. The Customer is not deemed to have accepted Products that it has not had a reasonable opportunity to inspect.

Rejected Products. The Customer may reject any Products that do not conform to the Specification by notice to the Supplier. The Supplier will collect rejected Products at its own cost within five Business Days and, at the Customer's option, replace them or refund the price paid for them.

7. Warranty

Warranty. The Supplier warrants that for twelve months from delivery the Products will conform to the Specification and will be free from defects in materials and workmanship. Replacement Products carry a new warranty period starting on their own date of delivery. The warranty does not cover defects caused by the Customer's storage or processing of the Products contrary to the Supplier's written instructions.

Remedies. If Products do not comply with the warranty, the Supplier will, at the Customer's option, repair or replace them or refund the price paid, and will reimburse the Customer's reasonable costs of removing and disposing of the defective Products.

8. Intellectual property

Each party keeps all intellectual property rights it owned before the Effective Date. The Supplier grants the Customer a non-exclusive, royalty-free licence to use any intellectual property in the Products to the extent necessary for the Customer to use, process and resell them. The Supplier will indemnify the Customer against any claim that the Products infringe a third party's rights.

9. Confidentiality

Each party will keep confidential all information about the other party's business that it receives under this Agreement, use it only to perform this Agreement and disclose it only to its employees, advisers and subcontractors who need to know it and are bound by equivalent obligations. This section does not apply to information that is or becomes public other than through a breach of this Agreement, and it continues for five years after this Agreement ends.

10. Liability

Exclusions. Nothing in this Agreement limits either party's liability for death or personal injury caused by negligence, for fraud, or for any liability that cannot be limited by law. Neither party is liable for loss of profit, loss of business or any indirect or consequential loss.

Cap. Subject to the exclusions above, the total liability of each party under or in connection with this Agreement in each Contract Year is limited to EUR 1,500,000.

Insurance. The Supplier will maintain product liability insurance with a reputable insurer for at least EUR 5,000,000 per claim and will provide a certificate of insurance on request.

11. Term and termination

Term. This Agreement starts on 1 January 2027 (the "Effective Date") and continues for three years. It then continues until either party ends it by giving at least six months' written notice.

Termination for cause. Either party may terminate this Agreement with immediate effect by written notice if the other party commits a material breach that is not remedied within thirty days of being notified of it, or if the other party becomes insolvent or ceases to carry on business.

Consequences. On termination the Customer will pay for all Products delivered and for Orders already accepted, unless the Agreement was terminated because of the Supplier's breach. Termination does not affect any rights that accrued before it.

12. Data protection

Each party will process any personal data it receives from the other, such as the names and contact details of employees, only for the purpose of managing this Agreement and in accordance with applicable data protection law.

13. Notices

Notices under this Agreement must be in writing and sent to the address of the receiving party set out above, marked for the attention of its company secretary, with a copy by email. A notice is received on delivery if delivered by hand, and on the second Business Day after posting if sent by recorded delivery.

14. General

Assignment. Neither party may assign or transfer this Agreement without the prior written consent of the other party, which may not be unreasonably withheld.

Entire agreement. This Agreement and its Schedules form the entire agreement between the parties and replace any earlier arrangements about its subject matter.

Variation. A variation of this Agreement is valid only if it is in writing and signed by both parties.

Force majeure. Neither party is liable for any delay or failure in performing its obligations under this Agreement to the extent that it is caused by an event beyond its reasonable control, including fire, flood, storm, epidemic, war, terrorism, riot, a strike not limited to its own workforce, failure of a public utility or an act of a government authority. The affected party must notify the other party promptly, describe the event and its likely duration, and use reasonable endeavours to limit its effects. If the event continues for more than ninety days, either party may terminate this Agreement by giving thirty days' written notice.

Third parties. No one other than the parties has a right to enforce any term of this Agreement.

Governing law. This Agreement is governed by the law of England and Wales, and the courts of England have exclusive jurisdiction over any dispute arising from it.
