Chemical store rules (synthetic)

The limits below apply to the workshop chemical store.[1]

Class	Description	Storage limit
1	Explosives	Not stored on site
2	Flammable gases	4 cylinders
3[3]	Flammable liquids	250 litres
4[4]	Flammable solids	50 kg

[1] The store is inspected every month.

[3] Only in the fire-rated cabinet; outside it the limit is 25 litres.

[4] Only in a closed metal bin.
