Depot news (SYNTHETIC)

This SYNTHETIC newsletter is set in two columns under a paragraph that runs across the whole width of the page, over both columns; the producer writes the right column last, after the footer.

The north depot opens a new store for pipe fittings in May. Crews collect fittings from the counter between 07:00 and 09:00. Orders placed by 15:00 are ready for collection the next morning.

The hydrant flushing season starts in the east district on the first Monday of March and runs until the end of April. Customers are told by letter seven days before flushing.
