SYNTHETIC probe. An invented depot report; every name and value is made up to test a document comparison tool.

SYNTHETIC inserted paragraph. This edition adds a note above the table about the counting basis, which pushes the table down so that its page break falls a few rows earlier than before. The figures in the table are unchanged.

Depot	Pallets	Crates	Returns	Claims	Share
Depot B1	20.1	27.2	34.3	41.4	3%
Depot C2	27.2	41.4	55.6	69.8	6%
