Residential Tenancy Agreement

This agreement is dated 12 January 2027 and sets out the terms on which the Property is let. The Tenant should read it carefully and ask for an explanation of anything that is unclear before signing.

1. Parties and property

1.1 This agreement is made between Marigold Lettings Ltd (“the Landlord”) and Tomasz Brennan-Okafor (“the Tenant”) for the letting of Flat 4, 27 Kestrel Road, Norwich (“the Property”), together with the fixtures, fittings and furniture listed in the inventory.

1.2 Where there is more than one tenant, each of them is responsible for all of the obligations under this agreement, both jointly and individually.

2. Term

2.1 The tenancy starts on 1 March 2027 (“the Commencement Date”) and continues for a fixed term of twelve months.

2.2 If neither party ends the tenancy at the end of the fixed term, it continues from month to month on the same terms until it is ended in accordance with section 8.

3. Rent and outgoings

3.1 The rent is £1,495.00 per calendar month, payable in advance by standing order on the first day of each month.

3.2 The first payment is due on the Commencement Date. If the tenancy starts part-way through a month, the first payment is reduced in proportion to the number of days remaining in that month.

3.3 The rent may be reviewed once a year after the end of the fixed term. The Landlord will give at least one month’s written notice of any increase, and the new rent will be no more than the open market rent for comparable properties in the area.

3.4 Council tax, water, electricity, gas, broadband and television licence costs are the responsibility of the Tenant from the Commencement Date until the end of the tenancy.

4. Deposit

4.1 Before the Commencement Date the Tenant pays a deposit equal to five weeks’ rent as security for the performance of the Tenant’s obligations.

4.2 The deposit is protected in a government-approved scheme within thirty days of receipt, and the Landlord gives the Tenant the prescribed information about the scheme within the same period.

4.3 At the end of the tenancy the deposit is returned within ten days of agreement on any deductions. Deductions may be made only for unpaid rent, damage beyond fair wear and tear, missing items listed in the inventory and reasonable cleaning costs.

5. Tenant’s obligations

The Tenant agrees:

5.1 to use the Property as a private home for the Tenant and the members of the household named in the schedule only, and not for any trade or business;

5.2 to keep the interior of the Property in good and clean condition, and to replace light bulbs, fuses and smoke alarm batteries when needed;

5.3 not to make alterations or additions to the Property, including painting, fixing shelves or installing satellite dishes, without the Landlord's written consent, which will not be unreasonably withheld;

5.4 to report any disrepair, defect or damage to the Landlord promptly in writing, and in an emergency also by telephone;

5.5 to take reasonable steps to prevent condensation and mould by heating and ventilating the Property adequately, and not to dry clothes on radiators;

5.6 not to cause a nuisance or annoyance to neighbours, and to keep noise to a reasonable level between 11 pm and 7 am;

5.7 not to sublet or part with possession of the whole or any part of the Property, and not to take in lodgers or paying guests;

5.8 to allow the Landlord access to the Property for repairs and inspections in accordance with section 7.

5.9 that the Tenant may keep one cat or one small dog at the Property, provided that the animal is vaccinated, insured against third-party liability and not left alone for more than eight hours at a time. The Tenant will have the carpets professionally cleaned and the Property treated against fleas at the end of the tenancy, and will pay for any damage caused by the animal, whether or not the cost exceeds the deposit. The Landlord may withdraw this permission on two months' written notice if the animal causes a nuisance to neighbours or repeated damage to the Property. No other animals, birds or reptiles may be kept at the Property without the Landlord's separate written consent, and the Tenant will make sure that any visitor's animal is not brought into the communal areas of the building.

6. Landlord's obligations

The Landlord agrees:

6.1 to keep in repair the structure and exterior of the Property, including drains, gutters and external pipes;

6.2 to keep in repair and proper working order the installations for the supply of water, gas and electricity, for sanitation and for space heating and heating water;

6.3 to arrange an annual gas safety check by a registered engineer and give the Tenant a copy of the record within twenty-eight days of the check;

6.4 to allow the Tenant quiet enjoyment of the Property without unnecessary interruption by the Landlord or anyone acting for the Landlord.

7. Access and inspections

7.1 The Landlord, or an agent or contractor acting for the Landlord, may enter the Property at reasonable times of day to inspect its condition, to carry out repairs or to carry out the safety checks required by law. Except in an emergency, the Landlord will give the Tenant at least twenty-four hours' written notice of each visit, stating its purpose and its expected duration. Routine inspections will not take place more than once every three months. Where contractors need access, the Landlord will try to

group the work into as few visits as possible and will tell the Tenant the name of the contractor in advance. If the Tenant will not be at home, the Landlord may use the spare key held at the agent's office, and will lock the Property and leave a note on departure.

7.2 In an emergency, such as a gas leak, a fire or a flood, the Landlord may enter without notice and will tell the Tenant as soon as reasonably possible afterwards.

8. Ending the tenancy

8.1 The Tenant may end the tenancy at the end of the fixed term, or at any time afterwards, by giving at least one month's written notice expiring on the day before a rent day.

8.2 The Landlord may end the tenancy only by giving the notice required by law and, where necessary, by obtaining a court order.

8.3 At the end of the tenancy the Tenant will return all keys, remove all personal belongings and leave the Property in the condition recorded in the inventory, allowing for fair wear and tear.

8.4 Any items left at the Property after the end of the tenancy will be stored for fourteen days and may then be disposed of, with the reasonable cost of storage and disposal deducted from the deposit.

9. Notices

9.1 Notices under this agreement must be in writing and may be delivered by hand, sent by first-class post or sent by email to the addresses given in the schedule.

9.2 A notice sent by email is treated as received on the next working day after it was sent, unless the sender receives a message that delivery failed.

10. General

10.1 The Landlord processes the Tenant's personal data only for the purposes of managing the tenancy and in accordance with data protection law.

10.2 If any part of this agreement is found to be invalid, the rest of the agreement remains in force.

10.3 This agreement is governed by the law of England and Wales.

Schedule
