SYNTHETIC price sheet

Inserted paragraph: prices for the western district follow in a separate SYNTHETIC sheet.

This SYNTHETIC price sheet lists the spare parts for the pump station, valid from 1 March. The gauges are checked twice a year.[1] The hose sets are replaced every spring.[2] Orders placed before noon ship the same day.

[1] Calibration certificates are kept by the SYNTHETIC district office.
[2] Hose sets are sold in pairs only.
