Notes

1. Basis of preparation. These condensed consolidated interim financial statements have been prepared in accordance with IAS 34 Interim Financial Reporting. They do not include all the information required for full annual financial statements and should be read together with the Group’s annual report for the year ended 31 December 2025, whose comparative figures are taken from the audited financial statements.

2. Going concern. The Group’s principal borrowing facility is a revolving credit facility of EUR 40.0 million, of which 24.6 million was drawn at 30 June 2026, together with a term loan of £85.8 million maturing in March 2029. The facilities include a covenant that net debt must not exceed 3.5 times EBITDA, tested every six months. The lenders have agreed to waive the covenant test at 31 December 2026. Having considered cash flow forecasts to 31 December 2027, including a severe but plausible downside scenario with revenue 15% below plan, the directors expect the Group to have adequate resources to continue in operation, and the statements have been prepared on a going concern basis.

3. Segment information. The Group has three operating segments, reported to the board on the same basis as in the annual report.

Revenue by segment (£000)	H1 2026	H1 2025
Hotels, United Kingdom	96,412	92,118
Hotels, Ireland	31,580	28,976
Venues and events	20,244	18,510
Total revenue	**148,236**	**139,604**

4. Other gains/(losses) comprise a loss of £1,104,000 on the disposal of the Cobble Wynd hotel and a foreign exchange gain of £792,000 on intra-group balances.

5–7. Finance costs include interest on lease liabilities of £1,123,000 (H1 2025: £1,175,000). The effective tax rate for the period is 25.0% (H1 2025: 24.0%). Earnings per share are based on 119.6 million weighted average shares in issue (H1 2025: 119.6 million).
