Returns policy (synthetic)

This policy applies to goods bought from the online shop. It does not apply to custom orders, which are covered by the order form.

> **Key terms**
> Goods may be returned within 14 days of delivery in their original packaging. Refunds are paid to the original payment method within fourteen working days after the goods arrive at the warehouse. Return shipping is free for orders over EUR 50.

Damaged goods must be reported within two days, with photos of the packaging. The shop may ask for the goods to be sent back before a refund is made.

Questions about this policy can be sent to the customer service address on the order confirmation.
