## Engagement letter – annual review

1. Scope. We will review the annual accounts of the company for the year ending 31 December and report to the board.

2. Fees. Our fee is EUR 18,500 plus expenses, payable in two equal instalments, the first on signing this letter.

3. Timing. We will start fieldwork in March and deliver the draft report within six weeks of receiving the trial balance.

4. Access. The company will give us access to its records, staff and premises during normal working hours.

5. Liability. Our total liability is limited to three times the fee, except where the law does not allow such a limit.

6. Termination. Either party may end this engagement with thirty days' written notice; fees for work done remain due.

7. Records. We keep our working papers for seven years after the report date and then destroy them securely.
