Service level schedule

The supplier responds to a priority call within 4 hours, at any time of day.

Planned maintenance takes place every six months, by appointment.

The monthly service charge is EUR 1,250.00, invoiced in advance.

Spare parts are delivered within 10 working days of the order.

The customer may terminate the agreement with three months notice.

Response times are measured from the logged time of the call.

The agreement renews for 12 months unless either party gives notice.
