Terms of sale (synthetic)

3. Delivery and inspection

3.1. The Buyer shall inspect the goods within five days of delivery, and this applies to every delivery made under an order placed by the Buyer during the term of the framework.

3.2. The Buyer may reject a delivery that is more than ten per cent short, unless the shortfall was agreed in writing before the goods were sent from the warehouse.

3.3. The Buyer shall notify any defect in writing, and this applies to every delivery made under an order placed by the Buyer during the term of the framework.

3.4. The Seller shall replace defective goods at its own cost, and this applies to every delivery made under an order placed by the Buyer during the term of the framework.

3.5. Risk passes to the Buyer on delivery, and this applies to every delivery made under an order placed by the Buyer during the term of the framework.

3.6. Title passes when the price is paid in full, and this applies to every delivery made under an order placed by the Buyer during the term of the framework.

4. Price

4.1. The price is as stated in the order.
