SCHEDULE 3 — SERVICE LEVELS

This Schedule forms part of the Agreement. Paragraph numbers continue those of the Agreement.

1. The Supplier shall make the Service available 99.5% of each calendar month, measured at the Customer's network boundary.

2. Planned maintenance is excluded from the availability calculation if notified at least five (5) Business Days in advance.

3. Priority 1 incidents shall be responded to within thirty (30) minutes and resolved within four (4) hours.

4. Priority 2 incidents shall be responded to within two (2) hours and resolved within one (1) Business Day.

5. The Supplier shall provide a monthly service report by the fifth Business Day of the following month.

6. If availability falls below the target in any month, the Customer is entitled to the service credits set out in Table 1.

7. Service credits are the Customer's sole financial remedy for a failure to meet the availability target.

8. The parties shall review the service levels every twelve (12) months and agree any changes in writing.
